### Postdoctoral trainee

The purpose of this tax exemption measure is to increase the ability of Québec universities to attract or recruit foreign postdoctoral trainees in areas of expertise in which the universities are experiencing recruitment difficulties. This measure is applicable to the following areas of expertise: the pure and applied sciences and their related fields.

The deadline to submit the application for certificate is before March 1<sup>st</sup> following the individual's taxation year. After this date, the form will no longer be available for current tax year.

However, the forms will be available for the submission of applications for the next tax year, as of June 1.
